**DIRECTIONS:** Read each statement in the booklet and decide whether it is currently true or false (or mostly true or mostly false) as applied to yourself. Then blacken the corresponding space on this sheet with a No. 2 pencil (do not use ink or a pencil other than No. 2). Make your marks as long as the box and make sure the mark fills the box completely. If you change your mind, erase your first mark completely. Use your first impression on questions that are difficult. Do not omit any questions. When you have finished, erase any stray marks or smudges.
